

W NOTICE

- **NET VAT:** VAT from current bill, VAT from other charges and / or adjustments. This is the amount to be used for VAT reporting.
- **RC (read codes):** E – Estimate (a BL&P-generated reading, estimated based on previous usage if a Regular reading is not obtained), I-Interim (a computer-generated reading, estimated based on previous usage, for Domestic and General Service tariffs in months when a reading is not scheduled.), R-Regular (an actual scheduled meter reading by BL&P), C-Customer (a read provided by the customer), V-Verified (a read by a BL&P representative other than the meter reader).
- **Adjustments:** The sum of debits and credits applied to the accounts since the last bill which will include reversals, service charges, fees, allowances and other miscellaneous adjustments.
- **Bills Payment Office Hours :**
 1. Corner of Probyn and Bay Streets, Bridgetown and Garrison Hill -- Monday-Friday 7:30 a.m. to 4:00 p.m.
 2. Please direct Mail Payments to P.O. Box 1025, Bridgetown.
- Internet Payments can be made at The Bank of Nova Scotia, Butterfield Bank, FirstCaribbean and RBC Royal Bank.
- Use our Web Self-Service to access your accounts online at www.blpc.com.bb.
- **Customers should notify BL&P when they leave or sublet premises.** Otherwise they will be liable for charges incurred in their name.
- **For Domestic Services: BL&P reserves the right to disconnect service** if the bill or any part thereof remains unpaid **21 days** from date of issue.
- Bills for all other services are due on issue and BL&P reserves the right to disconnect service if the bill or any part thereof remains unpaid 10 days from date of issue.
- **Rate Schedules:** Domestic Service, General Service, Secondary Voltage Power, Large Power.
- Detailed Rate Schedules may be obtained from BL&P offices or visit our website at www.blpc.com.bb.

BILL INFORMATION

- A** The account name and address - these may differ from the billing name and address on the stub – see item **V**.
- B** The Account ID is the unique number for each customer. Multiple services can be associated with one account. Use this number for queries.
- C** This is the unique number for each bill, to be used for VAT reporting if required.
- D** The net VAT billed for the month to be included in VAT reporting. It includes VAT on the current billing, adjustments from the previous billing and other charges.
- E** The date that the bill is mailed.
- F** This will contain important messages including reminders and energy saving tips.
- G** The date that a meter reader is scheduled to visit the premises to obtain a Regular reading. This does not include interim readings – see item **W** on reverse side.
- H** The premise address.
- I** The unique identifier for each premise. Provide this when making inquiries on a specific electric service.
- J** The unique number for the meter registering your usage. It is located on the face of the meter.
- K** The dates of both the Present and Previous meter readings.
- L** The Present and Previous meter readings from which the Present Usage (kWh) is calculated.
- M** The read code (RC): R-Regular (actual), I-Interim, E-Estimate, C-Customer provided, V-Verified (by BL&P) - see **W** on reverse side.
- N** Some meters require a multiplier to determine the amount of electricity used. - see item **O**.
- O** The amount of energy (kWh) used in the present and previous billing periods. Present Usage = (Present Reading - Previous Reading) X Multiplier.
- P** The Billing Demand.
- Q** The number of days of service in the Present and Previous billing periods.
- R** The average electricity used (kWh) per day in the Present and Previous billing periods. Daily Avg = Usage/Days.
- S** The Fuel Clause Adjustment for the Present and Previous billing periods.
- T** The Tariff at which the service is billed.
- U** A graph of energy usage for up to 13 months.
- V** This stub should be detached and presented or mailed with the payment.
- W** Standard information relating to the Bill (reverse side).
- X** The Contact and Bill Payment information (reverse side).
