

VACANCY

Electrical Technician (Trainee)

The Barbados Light & Power Company Limited is seeking applications from suitably qualified applicants to fill the position of Electrical Technician (Trainee) in the Distribution Business Unit of the Operations Department. Reporting to the Distribution Supervisor, the successful candidate will be responsible for the installation, troubleshooting, testing and maintenance of electrical, electromechanical, electronic, pneumatic and computerized systems.

In this role, the successful candidate will be required to:

- Install, test, commission and maintain various types of substations and high voltage equipment
- Conduct infra-red inspections of substations and overhead lines, performing analysis and producing reports as required
- Troubleshoot and repair equipment faults
- Locate underground cable faults
- Install and maintain system protective relays and other related devices

Qualifications and Experience

- An Associate Degree in Electrical or Electronics Engineering or City and Guilds Parts 1 and 2 in Electrical Maintenance or an equivalent qualification
- Experience working in an industrial environment would be an asset

Remuneration

In return, we are offering an attractive compensation package, including Group Life Insurance, Medical Coverage and Group Pension.

Applications

Suitably qualified candidates should submit their applications via e-mail to blpc.careers@blpc.com.bb or via post addressed to:
