

VACANCY

Welder/Fabricator (Trainee)

The Barbados Light & Power Company Limited (BLPC) is seeking applications from suitably qualified professionals to fill the position of **Welder/Fabricator (Trainee)**. Reporting to the Maintenance Supervisor, the successful candidate will perform welding, modification and fabrication of equipment and structures and assist with maintenance activities as required.

Job Duties:

- Perform welder repairs on equipment including, but not limited to, boiler tube, pipes, tanks, mechanical components and large components
- Fabricate new structures, e.g. tanks, pipes and stairways
- Weld different types of materials including aluminium and stainless steel
- Perform modifications on existing structures and machinery components
- Assist with maintenance activities on generating units
- Perform mechanical repairs
- Assist with determining appropriate methods of repair or fabrication of components
- Observe all safety rules and regulations
- Maintain a clean and safe work environment
- Drive Company vehicles in the execution of duties

Qualifications and Experience

- City & Guilds Diploma in Welding Craft Practice Parts I & II or an equivalent qualification
- Completion of AWS D1.1 (Plate) or ASME 9 (6G/6GR) Certification
- Two (2) years of practical on-the-job experience is required for acceptable proficiency

Remuneration

In return, we are offering an attractive compensation package, including Group Life Insurance, Medical Coverage and Group Pension.

Applications

Suitably qualified candidates should submit their applications via email to blpc.careers@blpc.com.bb or via post addressed to:
